

**CANDIDATE FOR GOVERNING BOARD MEMBER
RIALTO UNIFIED SCHOOL DISTRICT**

NAME: JOHN R. KAZALUNAS

OCCUPATION: U.S. Marine Corps Officer (Ret) - Psychologist

I served on the Rialto School Board for 16 years, and have faithfully served you and your children in an honest, ethical, and professional manner.

I am proud of my service for your children's education. I worked with students, employees, PTA's, and community organizations in achieving our educational goals.

Challenges facing us today:

- Providing Safe Schools
- Equitable treatment for all employees
- Fiscal Responsibility
- Clear goals

The current Board is "invisible" and "Ineffective". They do not Listen/Respond to students, employee, and community concerns.

My experience includes: 21 years service in the Marine Corps. 37 years in education teaching on almost every grade level from kindergarten to University Graduate Schools. Presently a Psychologist and a teaching Professor at a major University.

I knew right from wrong. People know where I stand on important issues. I will not sacrifice integrity to be politically correct and popular.

Things that are right are not always popular; things that are popular are not always right.

Your vote for me will be a vote for your children, the employees in the District, and our community.

I have the EXPERIENCE, KNOWLEDGE, and COMMITMENT to represent you on the school board.
